Park Reservation Guidelines

1. The only park that can be reserved for overnight is Lake Creek Park.
2. All other parks can be reserved for daytime use only from sunrise to sunset.
3. Person reserving the park must make sure park is clean and in the same condition when they leave as it was when they arrived.
4. No Large Fires, just small contained fires. No fires if weather is dry. Fires are to be attended at all times.
5. Reservations are to go through the management company.
6. Fill out and sign information form 30 days before the reservation.
7. \$250.00 deposit is required 2 weeks before event, deposit will be returned within 30 days of the event.
8. Park that is being reserved will be inspection by either a board member or reserve committee member before and after the date of the reservation.
9. Port a potties will need to be provided for reservations. How many will be determined when the information of how many people and for how long the reservation is that day. Determined by the Board.
10. No fireworks are allowed in any of the parks.
11. No loud music.
12. Minors supervised at all times.
13. Plus all rules posted at the parks.
