

Go Green Plant Sale
 Benefiting KMCB Grant Program
 April 25, 2009

Keep Montgomery County Beautiful (KMCB), in partnership with the Montgomery County Master Gardener Association, is holding its **First Annual Go Green Plant Sale** this spring. The goals of this event are to:

- ❖ Raise money to fund **KMCB's** grant program
- ❖ Publicize Montgomery County recycling centers
- ❖ Educate about native plants and recycling
- ❖ Provide an opportunity to combine trips by picking up plants at the recycling centers

An event will be held in each of the four Montgomery County Precincts - at the recycling centers! The events will provide educational and resource information about recycling, native plants and sustainability. Pick up your plants while recycling - combining trips is good for the environment and saves gas and time!

ORDER NOW!

Pick up your plants on Saturday April 25 from 10 am until 2 pm at your local recycling center
