Electronic waste dropoff

Retired electronics are the fastest growing waste management challenge. The September 18 activity will include an opportunity to responsibly dispose of your old electronics.

Freeman Computer Services, a Conroe business that meets the Environmental Protection Agency standards for the disposal of electronic waste will be on hand during the Fair for free drive by disposal of your old electronics including computer processors, lap tops, flat screen monitors, printers, audio/stereo equipment, cellular phones etc. Televisions cannot be accepted (CRT monitors can be accepted for a \$25 fee).

Motivational & educational videos

Showings at 10:30am and 12:30pm

Prizes & recognitions for youth

Patches for participating in activities

Some prizes to be raffled for those present
