

Road Work Update Sections 5 through 10:

Work schedule for the main roads in each section, which will enable the county to carry out this work in a timely and cost saving manner.

The following is the list of roads and the order in which they will be repaired and overlaid by the county. The order in which the roads are done may vary and the length of the roads may be different once we get the exact measurements.

Lyndsey	1.5 miles
Trace Way	.6 miles
Stone Oak/Forest Lake	1.1 miles
Ebner Lake	.4 miles
Forest Wind Ct/Fish Creek Ct.	.5 miles

All short streets ending in a cull-d-sac will be resurfaced as needed. Work will Start soon and once started, it will continue until completed.

Monument Construction Update:

All four monuments along Fishcreek Thoroughfare are now in place. The placement of the Moss Rock around the signs has started and should be completed within two weeks of this notice.

Landscaping and lighting will follow.
