- **GHIN Handicap:** Please be advised that Members that play in Woodforest Golf Club Member events will need to have a **current GHIN Handicap**. If you would like information regarding signing up for GHIN please contact the Pro Shop.
- **Course Condition:** In an effort to keep WGC as the top facility we are asking for our Members and guests assistance. Please observe all cart path rules & other signs before, during & after your round. With the extreme rainfall that we have experienced, it is more important than ever to help protect the condition of the course!
- **Time Policy:** Several of our members are booking multiple tee times which they are not utilizing. In the future if a member books more than 1 tee time they may be required to provide the names of the players in their group. Thank you.
